43 inch double-sided outdoor electronic water sign

Waterproof protection

The housing is waterproof, which means it blocks all airborne dust and other particles and is unaffected by any wet weather conditions, thus expanding the range of possible environments.

Use in any weather

Extra long running time

Lithium-ion batteries revolutionize the way you use digital signage. This commercial-grade, ultra-thin battery solution gives you over 10 hours of run time. (Run time will be slightly reduced in ambient temperatures below 0 °)

15 hours

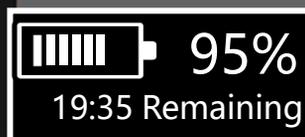

Outdoor high brightness 2000nits

direct sunlight , the display still maintains high clarity and high saturation.

Battery indicator

Convenient indicator design tells you exactly how much power is left in the battery for ultimate convenience

Customizable stylish and rugged casing

Aluminum alloy frame and high-strength metal shell provide solid backup and protection for the monitor's operating environment and service life.

IPS

43 inch double-sided outdoor electronic water sign

Multiple screen control methods

The new design supports mobile phone APP , USB flash drive, Ethernet and Internet cloud control, allowing you to control video content with one click.

APP **U disk** **Ethernet** **Cloud**

Front stereo speakers

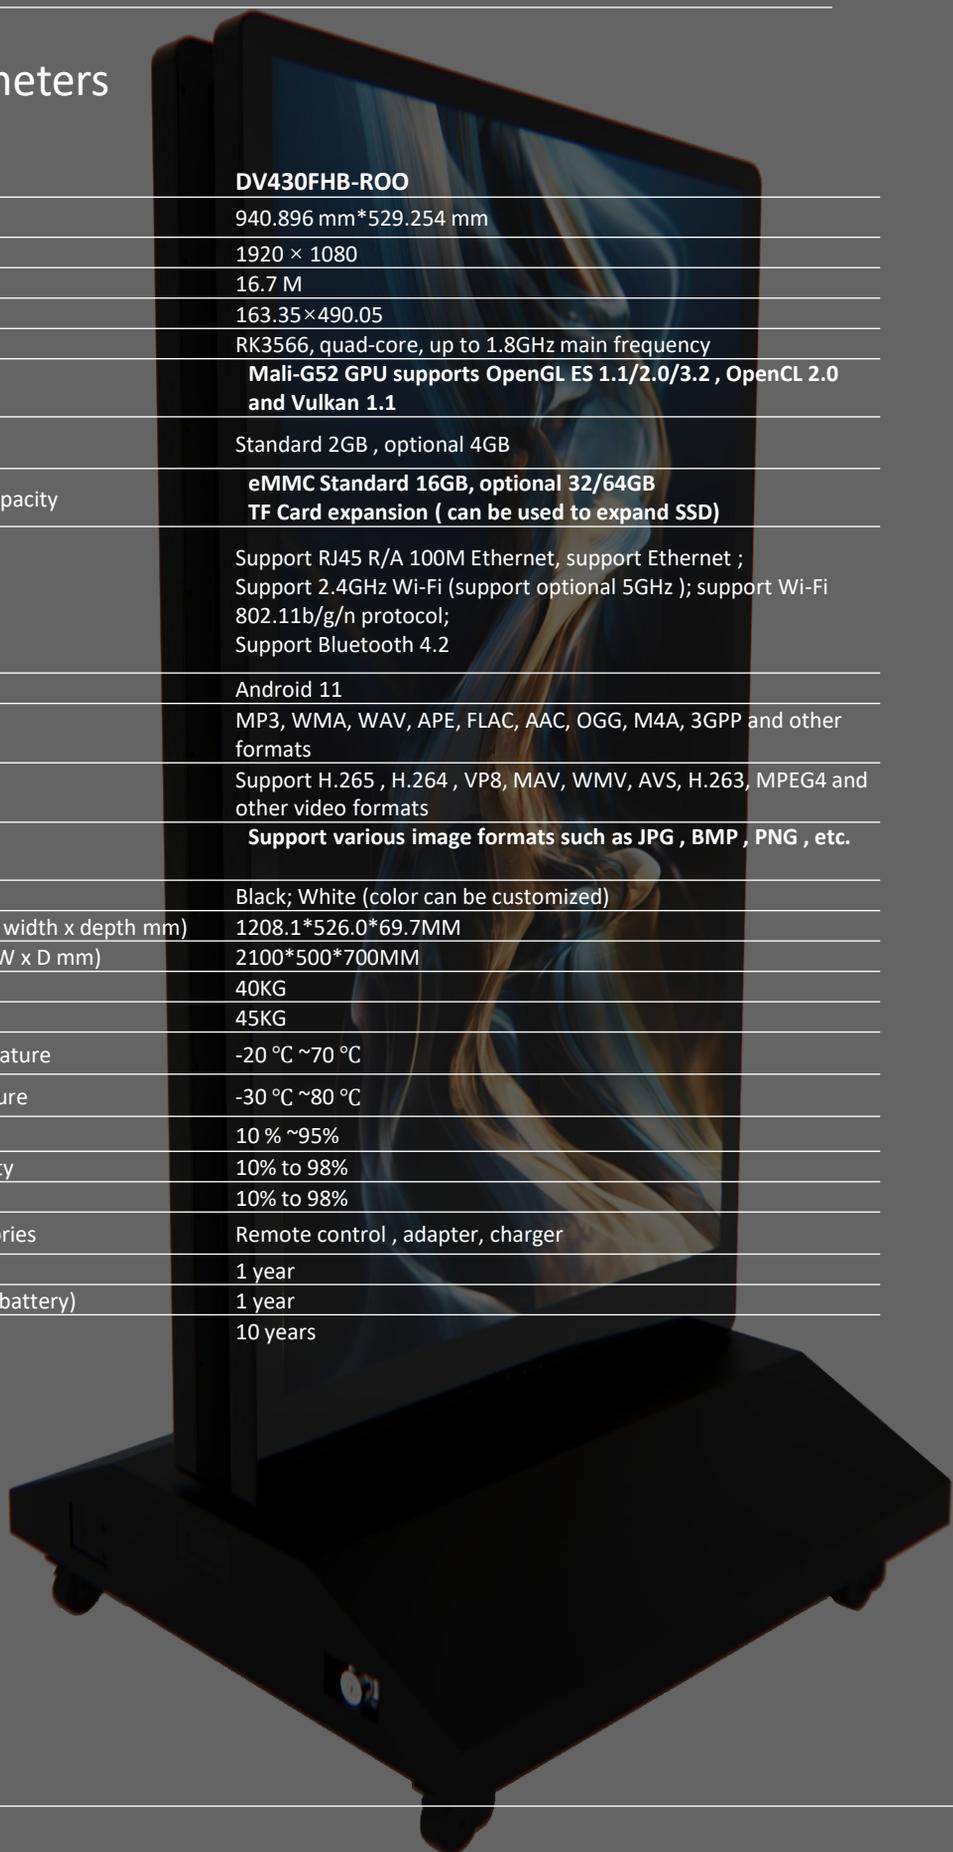

The new design places the speaker on the front, greatly improving the sound quality, and uses brushed metal technology with piano paint, which is not only beautiful but also waterproof.

Equipment parameters

project	Sub-projects	DV430FHB-ROO
screen	Display area	940.896 mm*529.254 mm
	Resolution	1920 × 1080
	Display Color	16.7 M
	Pixel pitch	163.35×490.05
Motherboard	CPU	RK3566, quad-core, up to 1.8GHz main frequency
	GPU	Mali-G52 GPU supports OpenGL ES 1.1/2.0/3.2 , OpenCL 2.0 and Vulkan 1.1
	Memory	Standard 2GB , optional 4GB
	Built-in storage capacity	eMMC Standard 16GB, optional 32/64GB TF Card expansion (can be used to expand SSD)
	network	Support RJ45 R/A 100M Ethernet, support Ethernet ; Support 2.4GHz Wi-Fi (support optional 5GHz); support Wi-Fi 802.11b/g/n protocol; Support Bluetooth 4.2
	operating system	Android 11
	Audio	MP3, WMA, WAV, APE, FLAC, AAC, OGG, M4A, 3GPP and other formats
video	video	Support H.265 , H.264 , VP8, MAV, WMV, AVS, H.263, MPEG4 and other video formats
	picture	Support various image formats such as JPG , BMP , PNG , etc.
Cabinet	Appearance Color	Black; White (color can be customized)
	Box size (height x width x depth mm)	1208.1*526.0*69.7MM
	Packing size (H x W x D mm)	2100*500*700MM
	Net weight (Kg)	40KG
	Gross weight (Kg)	45KG
environment	Operating temperature	-20 °C ~70 °C
	Storage temperature	-30 °C ~80 °C
	Relative humidity	10 % ~95%
	Operating humidity	10% to 98%
Accessories	Storage humidity	10% to 98%
	Packaging accessories	Remote control , adapter, charger
Maintenance	Warranty	1 year
	Warranty period (battery) technical support	1 year 10 years
